Upgradation and maintenance of National Highways

*270. SHRI JANARDHANA POOJARY: Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) the number of Highways currently designated as National Highways in the country alongwith the details thereof;

(b) whether it is a fact that owing to poor maintenance, these highways have lost their original quality and purpose;

(c) whether requests have been received from various States to upgrade the Highways passing through their respective States; and

(d) if so, the details thereof, and Government's reaction thereto and the action taken to maintain the high standard and utility of these highways?

THE MINISTER OF STATE OF THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS [MAJ. GEN. (RETD.) B.C. KHANDURI] : (a) Details are annexed as Statement. (*See* below)

(b) Efforts are made to maintain the National Highways in traffic worthy condition within the available resources.

(c) and (d) The State Governments submit proposals for improvement of National Highways as per the approved Annual Plan. The proposals are approved based on technical soundness and availability of funds.

Four/six laning of about 13,500 km. of National Highways has been taken up under 'National Highways Development Project' and 'Port Connectivity' Programme. This is targeted to be completed by December 2007. The Government have also initiated a programme for improvement of riding quality of existing National Highways other than NHDP, since 1999-2000. Riding Quality of about 23,000 km length has been improved. Riding Quality of the balance length is targeted to be improved within next two years.
